(Wexler, J.)

In light plaintiff's counsel's failure to respond to the request for a status report issued by the Court's Arbitration Unit on June 26, 2013, and the fact that defendants defaulted in this action more than one year ago, plaintiff is hereby advised that this action will be dismissed, with prejudice, in thirty (30) days, pursuant to Federal Rule of Civil Procedure 41(b), unless action is taken by plaintiff to prosecute this action during that time.

SO ORDERED:
